## Buying your train ticket

Depending on how often you travel and the type of ticket you need, there are a number of different ways you can purchase your ticket:

### At the ticket office

You can buy the full range of tickets from staffed ticket offices. This includes weekly, monthly and annual season tickets.

### At the station

Ticket vending machines sell a range of tickets to popular destinations for immediate use.

### From the conductor

If the station has no ticket machine or ticket office,

It is a legal requirement to have a valid ticket or pass.

or the ticket office is closed, you can buy your ticket from the conductor on the train.

### Online

Advance, off-peak and standard anytime single and return tickets can be purchased directly from the train operator's website or various other travel sites.

### On your mobile

Selected tickets can now be bought through mobile ticketing, providing a quick, easy and convenient way to buy your ticket while on the move.
